

don't sweat it ... keep cool in the heat this summer

**NEW SUMMER RANGE** ... introducing the **sable mesh air flow** range to keep you cool. Hunting in hot weather? Ridgeline has designed our Sable Mesh range in a perforated lightweight material that will keep you cool and keen on the hottest of days in the bush. This range is now produced in the Buffalo Camo design which highlights better than ever the 3D impact and myriad of colours used in this popular camo. A must-have for every hunter.
